KPP-Antalis

InnoTech

Innotech is a woodfree uncoated paper that prints economically while communicating your concerns for the environment. Its manufacturer is certified by the Forest Stewardship Council (FSC) with complying with the Chain-of-Custody (CoC).

It is manufactured by a paper mill that has achieved the FSC Chain-of-Custody certification.

It also has certification in ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007 for quality assurance and environmental standards.

Innotech is highly recommended for annual reports, product mailers and mass publications.

Technical Specification

Test Item	Test Method	Quality Properties					
Basic Weight, g/m^2	ISO 536	60	70	80	90	100	120
Thickness, um	ISO 534	76	87	99	109	118	140
CIE Whiteness	ISO 11475	145	145	145	145	145	145
Opacity, %	ISO 2471	89	92	94	94	95	97
Bendtsen Roughness, ml/min	ISO 8791-2	160	170	180	180	180	180
Brightness, % D65	ISO 2470-2	103	103	103	103	103	103
Moisture, %	ISO287	6.0	6.0	6.0	6.0	6.0	6.0
